5. to transact such other business as may properly come before the Meeting or any adjournment or adjournments thereof.

The Information Circular (the “**Circular**”), which accompanies this Notice or can be obtained as described below, contains details of the matters to be dealt with at the Meeting. The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (“**Notice-and-Access Provisions**”) for this Meeting. Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to the Shareholders by allowing the Corporation to post the Circular and any additional materials online. Shareholders will still receive this Notice of Meeting and a form of proxy and may choose to receive a hard copy of the Circular. The Corporation will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the information circular to some shareholders with the notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Circular.

SHAREHOLDERS ARE REMINDED TO VIEW THE MEETING MATERIALS PRIOR TO VOTING.

YANGAROO INC.
Management Information Circular

SOLICITATION OF PROXIES

This management information circular (the “Circular”) is furnished in connection with the solicitation by the management of YANGAROO Inc. (the “Corporation”) of proxies for use at the annual and special meeting of shareholders of the Corporation (the “Meeting”) to be held at Carpet Factory Building, 67 Mowat Avenue, Suite 101, Toronto, Ontario, M6K 3E3 on June 28, 2017 commencing at 4:30 PM (EST), and at any adjournment thereof, for the purposes set forth in the Notice of Meeting (the “Notice”). The solicitation will be primarily by mail, but directors, officers, employees or representatives of the Corporation may also solicit proxies personally or by telephone. All costs of solicitation will be borne by the Corporation. The information contained herein is given as at May 5th, 2017, unless otherwise indicated.

All dollar amounts in this Circular are in Canadian dollars, except where otherwise indicated.

APPOINTMENT OF PROXIES

The persons named in the enclosed form of proxy are officers of the Corporation. *Each shareholder has the right to appoint a person other than the persons named in the enclosed form of proxy, who need not be a shareholder of the Corporation, to represent such shareholder at the Meeting or any adjournment thereof.* Such right may be exercised by inserting such person's name in the blank space provided in the form of proxy and striking out the other names or by completing another proper form of proxy.

VOTING INSTRUCTIONS

Registered Shareholders

There are two methods by which registered shareholders (“**Registered Shareholders**”), whose names are shown on the books or records of the Corporation as owning common shares (“**Common Shares**”), can vote their Common Shares at the Meeting: in person at the Meeting, or by proxy. Should a Registered Shareholder wish to vote in person at the Meeting, he or she may still complete and return the form of proxy included with the Circular; and if required, the Registered Shareholder can revoke his or her proxy at the Meeting and instead vote in person. Should the Registered Shareholder not wish to attend the Meeting or not wish to vote in person, his or her vote should be voted by proxy through one of the methods described below and the Common Shares represented by the proxy will be voted or withheld from voting, in accordance with the instructions as indicated in the form of proxy, on any ballot that may be called for, and if a choice was specified with respect to any matter to be acted upon, the Common Shares will be voted accordingly. Please note that an individual voting on behalf of a corporation who is a Registered Shareholder must present certain documents at the Meeting, including a corporate signing resolution.

Registered shareholders can submit their proxies (a) by delivering the completed proxy using the pre-addressed envelope provided for this purpose; (b) or by hand delivery at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 (c) over the internet by going to www.investorvote.com and following the instructions provided; or (d) by telephone, by calling 1-866-732-VOTE (8683) (toll free within North America) or 312-588-4290 (International) by no later than the close 4:30pm EST on Monday, June 26th, 2017, or if the Meeting is adjourned, by no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjourned meeting.

Non-Registered Shareholders

In the Circular and the enclosed form of proxy and Notice, all references to shareholders are to Registered Shareholders of Common Shares. Only Registered Shareholders of Common Shares, or the persons they appoint as their proxies, are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a “**Non-Registered Shareholder**” or “**Beneficial Owner**”) are registered either:

- in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

There are two kinds of Beneficial Owners, those who object to their name being made known to the Corporation, referred to as objecting beneficial owners (“**OBOs**”) and those who do not object to being known by the Corporation, referred to as non-objecting beneficial owners (“**NOBOs**”). In accordance with the requirements as set out in National Instrument 54-101 Communications with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators, the Corporation has distributed copies (utilizing the Notice-and-Access Provisions) of the Notice of Meeting, this Circular, the form of proxy and the supplemental mailing list return card (collectively, the “**Meeting Materials**”) (i) directly to NOBOs, and (ii) to the clearing agencies and Intermediaries for onward distribution to OBOs.

The Meeting Materials are being sent or made available to both Registered and Non-Registered Shareholders of the Common Shares. If you are a Non-Registered Shareholder, and the Corporation or its agent has sent these Meeting Materials directly to you, your name, address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send the Meeting Materials to NOBOs directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these

Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Objecting Beneficial Owners (“OBOs”)

Intermediaries are required to forward Meeting Materials to OBOs unless an OBO has waived the right to receive them. Generally, OBOs who have not waived the right to receive Meeting Materials will either:

- (a) be given a proxy who has already been signed by the Intermediary (typically by a facsimile, stamped signature) and is restricted as to the number of Common Shares beneficially owned by the OBO but which is otherwise not completed. This form of proxy need not be signed by the OBO. In this case, the OBO who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Transfer Agent, by mail addressed to Computershare, Attention: Proxy Department, 100 University Ave., 8th Floor, Toronto, ON M5J 2Y1, as applicable, or with the Chairman of the Corporation; or
- (b) is given a voting instruction form (“VIF”) which must be completed and signed by the OBO in accordance with the directions on the VIF (which may in some cases permit the completion of VIF by telephone, internet or facsimile).

Non-Objecting Beneficial Owners (“NOBOs”)

NOBOs can expect to receive the Meeting Materials with a form of proxy from the Transfer Agent. These proxies are to be completed and returned to the Transfer Agent in the envelope provided or by following the instructions contained on the proxy for facsimile, telephone or internet voting. The Transfer Agent will tabulate the results of the proxies received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the proxies they receive.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder may simply clearly print the name of the person to attend the Meeting in the space provided for this purpose on the proxy.

REVOCAION OF PROXIES

A shareholder who has given a proxy has the power to revoke it as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy and may do so (1) by delivering another properly executed proxy bearing a later date and depositing it as aforesaid, including within the prescribed time limits noted above; (2) by depositing an instrument in writing revoking the proxy executed by the shareholder or by the shareholder's attorney authorized in writing (i) at the registered office of the Corporation, 18 Mowat Avenue,

Toronto, ON M6K 3E8 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or (ii) with the Chairman of the Meeting, prior to its commencement, on the day of the Meeting or any adjournment thereof; (3) by attending the Meeting in person and so requesting; or (4) in any other manner permitted by law. A Non-Registered Holder may revoke a proxy or a waiver of the right to receive Meeting Materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a proxy or of a waiver of the right to receive Meeting Materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

VOTING AND DISCRETION OF PROXIES

On any ballot that may be called for, the Common Shares represented by proxies in favour of the persons named by management of the Corporation will be voted for or against, or voted for or withheld from voting on, the matters identified in the proxy, in each case in accordance with the instructions of the shareholder. **In the absence of any instructions on the proxy, it is the intention of the persons named by management in the accompanying form of proxy to vote (a) FOR the election of each of management's nominees as directors; (b) FOR the appointment of management's nominee as auditor and the authorization of the directors to fix the remuneration of the auditor; (c) FOR the majority resolution to amend the Corporation's current 10% rolling option plan to a fixed stock option plan as set out in the section entitled "Special Matters to be Voted On – Amendment of Stock Option Plan"; and (e) in accordance with management's recommendations with respect to amendments or variations of the matters set out in the Notice or any other matters which may properly come before the Meeting. The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations of the matters identified in the Notice or any other matters that may properly come before the Meeting.** As at the date of this Circular, management of the Corporation knows of no such amendments, variations or other matters that may properly come before the Meeting other than the matters referred to in the Notice.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

As at May 5th, 2017 the authorized capital of the Corporation consisted of an unlimited number of Common Shares, of which 61,208,140 Common Shares were issued and outstanding.

A holder of record of Common Shares as at the close of business on May 19, 2017 (the "**Record Date**") is entitled to one vote for each Common Share held by him or her. The affirmative vote of a majority of the votes cast at the Meeting is required for approval of each matter set forth in this Circular.

In accordance with the *Business Corporations Act* (Ontario), the Corporation will prepare a list of holders of Common Shares on the Record Date. Each holder of Common Shares named in

the list will be entitled to vote the Common Shares shown opposite his or her name on the list at the Meeting.

As at May 5th, 2017, to the knowledge of the directors and senior officers of the Corporation, no person beneficially owns, directly or indirectly, or exercises control or direction over more than 10% of the Common Shares other than Ingalls and Snyder LLC which holds 12,637,059 shares as agent on behalf of its clients, one such client, being Shepard Boone, holding 10% or greater of the Common Shares individually or in concert with third parties, and CDS & Co. which holds 41,415,756 shares. CDS & Co. is a holding company for shares held in brokerage accounts for Non-Registered Holders. The Corporation's management does not know who beneficially owns these shares.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Introduction

The Board believes that effective corporate governance contributes to improved corporate performance and enhanced shareholder value. The Board has reviewed the corporate governance best practices identified in National Policy 58-201 - *Corporate Governance Guidelines* and National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (collectively, the “CSA Guidelines”). The Board is committed to ensuring that the Corporation follows best practices and is in the process of developing such practices. The Corporation's specific disclosure relative to these guidelines is set below.

Board of Directors

The responsibility of the Board is to supervise the management of the business and affairs of the Corporation in accordance with the best interests of the Corporation and all of its shareholders. In discharging its responsibility, the Board reviews the performance of the President, CEO and COO and oversees and reviews the development and implementation of the following significant corporate plans and initiatives:

- the Corporation's strategic planning and budgeting process;
- succession planning, including appointing, training and monitoring senior management; and
- the Corporation's public communications policies and continuous disclosure record.

The Board meets at least four times a year and more frequently if required. In 2016, the Board met 4 times. In addition, the Board took numerous actions by written resolution.

Board Composition

The Board was composed of five directors for the duration of 2016. All directors are elected annually. The Corporation's directors for the duration of 2016 included Howard Atkinson, Gary Moss, Gerald Hurlow, Philip Benson and Anthony Miller.

Messrs. Hurlow, Atkinson, Benson, and Miller were independent directors as contemplated by the CSA Guidelines (i.e. each is independent of management and free from any interest in and any business or other relationship with the Corporation which could reasonably be expected to interfere with the exercise of the director's judgment). In determining whether a director is independent, the Board considers the specific circumstances of a director and the nature, as well as materiality, of any relationship between the director and the Corporation.

Board Committees

There are two permanent Board committees: (i) the audit committee (“**Audit Committee**”); and (ii) the compensation committee (“**Compensation Committee**”). The Board may also appoint other temporary or permanent committees from time to time for particular purposes.

Currently, the Board does not have a corporate governance committee or nominating committee. The Board as a whole evaluates corporate governance requirements, the conduct of the Board and the respective roles of the committees; and identifies and recommends for nomination candidates for election as directors. The Board looks at the education and experience of potential nominees to the Board.

The following sets out the report of the Audit Committee as well as a summary of the responsibilities and activities of the other Board committees.

Audit Committee Report

Throughout 2016, Messrs. Hurlow, Atkinson, and Miller were members of the Audit Committee, of which Mr. Atkinson was Chairman. They were all independent throughout 2016 for purposes of the Audit Committee. Each of the members of the Audit Committee is financially literate as defined in Multilateral Instrument 52-110. During the year ended December 31, 2016, the Audit Committee met 4 times. The Corporation as a venture issuer has relied on the exemptions in Section 6.1 of National Instrument 52-110 (“NI 52-110”) exempting the Corporation from the requirements in Part 5 (Reporting Obligations) of NI 52-110. The 2015 amendment to NI 52-110 included the addition of Section 6.1.1, whereby a venture issuer must have a minimum of three (3) members on the Audit Committee as of January 1, 2016, with a majority being independent. As the Corporation is subject to the policies of the TSX Venture Exchange, which included a like requirement, the Corporation had already had the requisite number of audit committee members in place.

A copy of the charter of the Audit Committee is attached to this Circular as Schedule “A” and will also be available electronically at www.sedar.com. The Audit Committee assists the Board in carrying out its responsibilities relating to corporate accounting and financial reporting practices. The duties and responsibilities of the Committee include the following:

- reviewing for recommendation to the Board for its approval the principal documents comprising the Corporation's continuous disclosure record, including interim and annual financial statements and management's discussion and analysis;
- recommending to the Board a firm of independent auditors for appointment by the shareholders and reporting to the Board on the fees and expenses of such auditors. The Committee has the authority and responsibility to select, evaluate and if necessary replace the independent auditor. The Committee has the authority to approve all audit engagement fees and terms and the Committee, or a member of the Committee, must review and pre-approve any non-audit services provided to the Corporation by the Corporation's independent auditor and consider the impact on the independence of the auditor;
- reviewing periodic reports from the CFO;
- discussing with management and the independent auditor, as appropriate, any audit problems or difficulties and management's response; and
- establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters.

The Committee maintains direct communication during the year with the Corporation's independent auditor and the Corporation's senior officers responsible for accounting and financial matters. The Audit Committee has reviewed and discussed with management and the independent auditors the financial statements of the Corporation as at December 31, 2016 and management's discussion and analysis. Based on that review and on the report of the independent auditor of the Corporation, the Audit Committee recommended to the Board that the Corporation's financial statements and management's discussion and analysis be approved and filed with Canadian regulatory authorities.

The Audit Committee has recommended to the Board that the shareholders of the Corporation be requested to re-appoint Collins Barrow Toronto LLP, Chartered Accountants, as the independent auditor for 2017.

For the years ended December 31, 2016 and 2015, the fees accrued or paid by the Corporation for audit work and other services performed by Collins Barrow Toronto LLP were as follows:

	2016	2015
Audit services	\$33,800	\$33,800
Audit-related services	\$6,134	\$6,240
Tax services	\$26,380	\$19,096
Other services	\$700	\$11,050
	\$67,014	\$70,186

Audit service fees

Audit service fees were paid for professional services rendered by the auditors for audit of the financial statements including the services provided in connection with statutory and regulatory filings.

Audit-related services fees

The audit-related services provided were for assistance with preparation of unaudited quarterly financial statements.

Tax service fees

The tax services provided were for preparation of corporate and provincial tax returns.

Other service fees

The other services provided were for other miscellaneous matters. Pursuant to the Audit Committee charter, the Audit Committee approved in advance all auditing services of the external auditors and related fees and terms and all non-audit service mandates including related fees and terms, to the extent permitted by applicable laws, regulations and policies. The Audit Committee may delegate to one or more members of the Audit Committee the authority to pre-approve non-audit services to be provided by the external auditors provided that any such approvals made by the designated individuals will be reported to the full Audit Committee at its next scheduled meeting.

Compensation Committee

The Compensation Committee assists the Board in carrying out its responsibilities relating to personnel matters, including performance, compensation and succession. The Compensation Committee develops tailored objectives for members of management such as the President, CEO, COO, CTO and CFO, based on broader Company goals, as well as for other individuals, reviewing and making recommendations to the Board with respect to employee and contractor compensation arrangements including stock options and management succession planning.

The Compensation Committee met three times in 2016. A part of each meeting is conducted without management present, including for the purpose of specifically discussing the proposed allocation of stock options to the Chairman and individual Board members, incentive bonus plans and salary proposals. The members of the Committee during 2016 were Mr. Miller (Chair), Mr. Hurlow, Mr. Atkinson and Mr. Benson.

The Board will ultimately be responsible for the application of the Code to the affairs of the Corporation.

Shareholder Feedback

The Board believes that management should speak for the Corporation in its communications with shareholders and others in the investment community and that the Board should be satisfied that appropriate investor relations programs and procedures are in place. Management communicates regularly with shareholders and others in the investment community to receive and respond to shareholder feedback.

The Board regularly reviews the Corporation's major communications with shareholders and the public, including management discussion and analysis, financial statements and management information circulars.

Expectations of Management

The Board believes that it is appropriate for management to be responsible for the development of long-term strategies for the Corporation. Meetings of the Board are held, as required, to specifically review and deal with long-term strategies of the Corporation as presented by senior members of management.

The Board appreciates the value of having selected senior officers attend Board meetings to provide information and opinions to assist the directors in their deliberations. The Chair arranges for the attendance of senior officers at board meetings in consultation with the President and CEO.

EXECUTIVE COMPENSATION

As required by Part 1(c) of National Instrument 51-102F5 – *Information Circular*, Form 51-102F6V – *Statement of Executive Compensation* for the year ended December 31, 2016 is appended as follows:

Compensation Discussion and Analysis

Executive Officer Compensation

The Corporation seeks to establish compensation plans for executive officers (collectively, the “**Named Executive Officers**” or “**NEOs**”) that will attract, retain, and motivate qualified executives to join the Corporation and work diligently to attain the Corporation’s objectives. The Corporation’s Board has a Compensation Committee that is comprised of four independent directors that assists the Board in carrying out its responsibilities relating to personnel matters, including performance, compensation and succession. Compensation plans for NEOs are developed by the President and CEO and submitted to the Compensation Committee for review and approval before being implemented.

The Corporation offers NEOs compensation packages that included a combination of salary, bonus, stock options and a group health insurance plan. Salary levels are determined so as to be competitive with similar organizations in the Corporation’s region and to attract and retain NEO.

Annual Incentives

Annual incentives in the form of bonuses are offered to motivate NEOs to achieve specific corporate goals for the year that include revenues, costs, profitability, technology development and cash flow. Bonuses can be comprised of cash and stock options. The cash bonus portion NEOs are eligible to earn is determined as a percentage of their salary. The achievement of financial goals is determined by comparing actual results to the Corporation’s budget for the year. The amount of bonus earned is determined by the degree to which the goal was met, with higher amounts being earned for over-achievement. The President and CEO and the Secretary and COO had the same annual bonus plan targets for the year ending December 31, 2016.

Long Term Incentives

Longer-term incentive compensation in the form of stock options are offered to align NEO interests with those of the Corporation’s shareholders by providing an opportunity for NEOs to benefit from growth in the value of the Corporation’s shares over a period of several years. Stock options also encourage continued service to the Corporation. Option grants for NEOs are recommended to the Board by the President and CEO and by the Compensation Committee. The board approves all option grants, setting their exercise price, vesting period and expiry. The number of options previously held by a NEO is considered when new grants are proposed. The President and CEO, the Secretary and COO each received different option grants during the year ending December 31, 2016, as illustrated in the table below.

Director Compensation

For the year ended December 31, 2016, the Board was composed of a total of five directors. All directors are elected annually. The Corporation's five directors were Gary Moss, Howard Atkinson, Philip Benson, Anthony Miller, and Gerald Hurlow.

For the year ended December 31, 2016, a majority (four of five) of the Corporation's directors were independent. Messrs. Atkinson, Miller, Hurlow and Benson were independent directors as contemplated by the CSA Guidelines (i.e. each is independent of management and free from any interest in and any business or other relationship with the Corporation which could reasonably be expected to interfere with the exercise of the director's judgment). In determining whether a director is independent, the Board considers the specific circumstances of a director and the nature, as well as materiality, of any relationship between the director and the Corporation.

The Corporation pays director compensation to the independent directors only. The independent directors are compensated with an annual cash fee and with long-term incentives in the form of stock options.

Termination and Change of Control Benefits

The Corporation reimburses its Executive Officers for all travel and other out-of-pocket expenses incurred in connection with the performance of their respective duties. The Corporation implemented an employment contract with Secretary and COO, in 2007. In the event employment of this executive is terminated on a without cause basis, he will receive a lump sum payment equal to twelve months base salary, plus an additional lump sum payment equal to one month base salary for each additional fully completed year of service with the Corporation after December 31, 2007, or a pro-rated additional lump sum payment for any partial year of service after December 31, 2007. The executive will also receive a bonus payment equal to the bonus he received for the fiscal year prior to termination. The Corporation provides an insurance benefit package in the form of an employee group insurance plan (the “**Benefit Package**”) and in the event of termination on a without cause basis the Corporation will continue to make its portion of any payments required to maintain the Benefit Package for the lump sum period referred to above, or the period required by applicable employment or labour standards legislation if that is longer than the lump sum period referred to above, in accordance with the terms of the applicable insurance policies. Any continued

coverage under the Benefit Package will be conditional on the Executive's satisfying the terms and conditions of the applicable insurance policies.

The Corporation implemented an employment contract with the President and CEO in 2012. The Executive's employment contract stated that upon resignation by the Executive, the Executive would not be entitled to receive any further compensation or benefits other than those which had accrued up to the Executive's last day of active service with the Corporation. In the event employment of this executive is terminated on a without cause basis, or in the event of a triggering event (which is a defined term in the employment contract referring to: (i) an adverse change in any of the duties, powers, rights, discretion, prestige, salary, benefits, perquisites of the Executive; (ii) a diminution of the title of the Executive; (iii) a change in the person or body to whom the Executive reports; (iv) a change in the hours during or location at which the Executive is regularly required to carry out the terms of his employment with the Corporation, or an increase in the amount of travel the Executive is required to conduct on behalf of the Corporation; or (v) any other reason which in the honestly-held view of the Executive results in the inability of the Executive to carry out his duties), he will receive a lump sum payment equal to twelve months base salary, plus an additional lump sum payment equal to one month base salary for each additional fully completed year of service with the Corporation after December 1, 2012, or a pro-rated additional lump sum payment for any partial year of service after December 1, 2012, to a maximum of twenty-four (24) months. The executive will also receive a bonus payment which shall be calculated based upon the bonus he received for the fiscal year prior to termination for the number of months that he is to receive pay in lieu of notice of termination of employment. In the event of termination on a without cause basis the Corporation will continue to make its portion of any payments required to maintain the Benefit Package for the lump sum period referred to above, or the period required by applicable employment or labour standards legislation if that is longer than the lump sum period referred to above, in accordance with the terms of the applicable insurance policies. Any continued coverage under the Benefit Package will be conditional on the Executive's satisfying the terms and conditions of the applicable insurance policies. Notwithstanding the foregoing, in the Event that the Corporation terminates the Executive's employment on a without cause basis within (6) months of a change of control (which is a defined term in the employment contract) or in the event of a "Triggering Event" within six (6) months of a change of control, the Corporation shall provide the Executive a lump sum payment equal to twenty-four (24) months base salary along with a bonus payment equal to two times the bonus he received for the fiscal year prior to the termination of his employment.

The Corporation executed an amendment (the "**Amendment**") to the employment contract with the CTO on or about January 13, 2017. Pursuant to the Amendment, in the event employment of this executive is terminated on a without cause basis, the executive will receive a lump sum payment equal to twelve months base salary, plus an additional lump sum payment equal to one

month base salary for each additional fully completed year of service with the Corporation after December 18, 2007, or a pro-rated additional lump sum payment for any partial year of service after December 18, 2007, to a maximum of twenty-four (24) months. The executive will also receive a bonus payment which shall be calculated based upon the bonus he received for the fiscal year prior to termination for the number of months that he is to receive pay in lieu of notice of termination of employment. Any continued coverage under the Benefit Package will be conditional on the Executive's satisfying the terms and conditions of the applicable insurance policies.

Indebtedness of Directors, Executive Officers and Others

At no time since the beginning of the Corporation's last financial year was any director, executive officer, proposed nominee for election as a director, or any of their respective associates indebted to the Corporation or any of its subsidiaries, nor was the indebtedness of any such person to another entity the subject of any guarantee, support agreement, letter of credit or similar arrangement provided by the Corporation or any of its subsidiaries.

Board Committee

There are two permanent Board committees: (i) the Audit Committee; and (ii) the Compensation Committee. The Board may also appoint other temporary or permanent committees from time to time for particular purposes.

Audit Committee

Throughout 2016, Messrs. Atkinson, Hurlow and Miller were members of the Audit Committee, of which Mr. Atkinson was Chairman. They were all independent throughout 2016 for purposes of the Audit Committee. Each of the members of the Audit Committee is financially literate as defined in Multilateral Instrument 52-110. During the year ended December 31, 2016, the Audit Committee met 4 times. The Corporation as a venture issuer has relied on the exemptions in Section 6.1 of National Instrument 52-110 ("NI 52-110") exempting the Corporation from the requirements in Part 5 (Reporting Obligations) of NI 52-110. The 2015 amendment to NI 52-110 included the addition of Section 6.1.1, whereby a venture issuer must have a minimum of three (3) members on the Audit Committee as of January 1, 2016, with a majority being independent. As the Corporation is subject to the policies of the TSX Venture Exchange, which included a like requirement, the Corporation had already had the requisite number of audit committee members in place.

The Audit Committee assists the Board in carrying out its responsibilities relating to corporate accounting and financial reporting practices. The duties and responsibilities of the Audit Committee include the following:

- reviewing for recommendation to the Board for its approval the principal documents comprising the Corporation's continuous disclosure record, including interim and annual financial statements and management's discussion and analysis;
- recommending to the Board a firm of independent auditors for appointment by the shareholders and reporting to the Board on the fees and expenses of such auditors. The Committee has the authority and responsibility to select, evaluate and if necessary replace the independent auditor. The Committee has the authority to approve all audit

engagement fees and terms and the Committee, or a member of the Committee, must review and pre-approve any non-audit services provided to the Corporation by the Corporation's independent auditor and consider the impact on the independence of the auditor;

- reviewing periodic reports from the CFO;
- discussing with management and the independent auditor, as appropriate, any audit problems or difficulties and management's response; and
- establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters.

The Audit Committee maintains direct communication during the year with the Corporation's independent auditor and the Corporation's senior officers responsible for accounting and financial matters.

Compensation Committee

The Compensation Committee assists the Board in carrying out its responsibilities relating to personnel matters, including performance, compensation and succession. The Compensation Committee is comprised of four independent directors. The members of the Compensation Committee during 2016 were Mr. Miller (Chair), Mr. Hurlow, Mr. Atkinson and Mr. Benson. The Compensation Committee develops annual objectives against which to assess members of management including the President and CEO, and reviews and makes recommendations to the Board with respect to employee and contractor compensation arrangements including stock options and management succession planning.

A part of each meeting is conducted without management present, including for the purpose of specifically discussing the compensation of the President and CEO.

Directors' and Officers' Liability Insurance

The Corporation maintains insurance for the benefit of its Directors and Officers against liability in their respective capacities as directors and officers. During the year, the Corporation had Directors' and Officers' insurance in place providing \$2 million in coverage for a premium of \$15,935.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as otherwise disclosed in this Circular, no insider of the Corporation or proposed nominee for election as a director of the Corporation, nor any of their respective associates or affiliates, has had any material interest, direct or indirect, in any transaction since the commencement of the Corporation's last financial year or in any proposed transaction which has materially affected or will materially affect the Corporation or any of its subsidiaries.

Except as otherwise disclosed in this Circular, no person who has been a director or senior officer of the Corporation since the commencement of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any of their respective associates or affiliates, has any material interest, direct or indirect, in any matter to be acted upon at the Meeting.

SPECIAL MATTERS TO BE VOTED ON

1. Amendment of Stock Option Plan

The shareholders of the Corporation approved a “rolling” plan as opposed to a “fixed” plan, at a meeting of the shareholders on August 15th, 2013 and at each annual meeting of the shareholders thereafter, as required pursuant to Policy 4.4 of the TSX Venture Exchange.

As the Corporation wishes to amend the “rolling” plan to a “fixed” plan, the TSX Venture Exchange (the “**Exchange**”) requires that the Corporation obtain shareholder approval of the Stock Option Plan upon adoption. Accordingly, the Shareholders will be asked to approve and ratify the Stock Option Plan, as amended.

The Stock Option Plan was established to provide an incentive to the directors, officers, employees, consultants and other personnel of the Corporation and any of its subsidiaries to achieve the longer-term objectives of the Corporation, to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation and to attract and retain in the employ of the Corporation, or any of its subsidiaries, persons of experience and ability by providing them with the opportunity to acquire an increased proprietary interest in the Corporation.

The Stock Option Plan is administered by the Board or, if the Board so delegates, a committee of directors appointed from time to time by the Board. In administering the Stock Option Plan, the Board or committee, as the case may be, may select participants to whom options are granted, determine the terms relating to options, including the number of Common Shares subject to option, the exercise price, the expiration date of each option and any vesting limitations.

The amended Stock Option Plan provides that the Board or committee may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation, or its subsidiaries, non-transferable options to purchase Common Shares provided that the number of Common Shares reserved for issuance under the Stock Option Plan does not exceed 12% of the issued and outstanding Common Shares as at the date of this Information Circular. 12% of the Corporation’s 61,208,140 currently issued and outstanding shares as at the date of this Information Circular is 7,344,976.

Notwithstanding the non-transferability of the options, optionees may assign their options to a corporation wholly-owned by the optionee or a registered retirement savings plan or registered income fund established by and where the sole beneficiary is the optionee.

In addition, the number of Common Shares reserved for issuance in any 12 month period to any one person may not exceed 5% of the issued and outstanding Common Shares (unless the

Corporation is a Tier 1 issuer and has obtained disinterested shareholder approval) and the number of Common Shares reserved for issuance in any 12 month period to any one technical consultant may not exceed 2% of the issued and outstanding Common Shares.

In all other respects, the Stock Option Plan remains the same as approved at the previous annual meeting of the shareholders. A copy of the amended Stock Option Plan is attached as Schedule “B” of the Corporation’s information circular dated May 5th, 2017.

At the Meeting, the Shareholders will be asked to consider and, if deemed advisable, approve the following resolution:

“BE IT RESOLVED THAT

the amended Stock Option Plan, as described in the Information Circular of the Corporation dated May 5th, 2017, be and is hereby ratified and approved.”

In order for the resolution to be passed, approval by the majority of the votes cast by all shareholders, present in person and by proxy at the Meeting, is required.

THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY, UNLESS OTHERWISE INSTRUCTED, INTEND TO VOTE IN FAVOUR OF THE RESOLUTION APPROVING AND RATIFYING THE STOCK OPTION PLAN.

OTHER MATTERS WHICH MAY COME BEFORE THE MEETING

The management knows of no matters to come before the Meeting other than as set forth in this Circular. **HOWEVER, IF OTHER MATTERS WHICH ARE NOT KNOWN TO THE MANAGEMENT SHOULD PROPERLY COME BEFORE THE MEETING, THE ENCLOSED FORM OF PROXY WILL BE USED TO VOTE ON SUCH MATTERES IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE PROXY.**

INCENTIVE STOCK OPTION PLAN

AMENDED ON JUNE 28, 2017

An Incentive Stock Option Plan (herein called the "Plan") for YANGAROO Inc. (the "Corporation") is hereby established with the intent of advancing the interests of the Corporation by encouraging and enabling the acquisition of an equity interest in the Corporation by the participants in the Plan.

Capitalized terms used in this Plan and any Exhibits or Schedules thereto and not otherwise defined in the Plan, or such Exhibits and/or Schedules, shall have the meanings attributed thereto in Policy 4.4, Policy 1.1, and any other applicable policy of the TSX Venture Exchange (the "Exchange").

1. The Board of Directors, or any committee thereof specifically designated by the Board of Directors to be responsible therefore (the "Committee"), shall, from time to time, by resolution designate those employees, directors, senior officers, consultants and other service providers, if any, who, in the opinion of the Board of Directors or such Committee, bear significant responsibility for the management and growth of the Corporation and who, as an additional inducement to promote the best interests of the Corporation, are entitled to participate in the Plan (herein referred to as the "Participant(s)") and shall determine the extent and terms of such participation by such Participants. For greater certainty, Directors, Employees and Consultants (as those terms are defined in TSX Venture Exchange Policy 4.4 ("Policy 4.4")). The judgement of the said Board of Directors or the Committee in designating Participants and the extent of their participation shall be final and conclusive; provided, however, that each designated Participant shall have the right not to participate in the Plan and any decision not to participate therein shall not affect his or her employment by, or other engagement with, the Corporation. The provisions of the Plan and the eligibility of Participants shall further be subject to and be deemed to be amended to comply with any and all requirements of any stock exchange or exchanges upon which the Corporation's common shares may from time to time be listed for trading and any other applicable regulatory authority (collectively, the "Regulatory Authorities"). The stock exchange requirements shall, while the Corporation's common shares are listed on the Exchange, include, without limitation, the requirements set out in Exhibit "A" to the Plan.
2. The Plan is an amendment and successor to the incentive stock option plan adopted by the Corporation's shareholders at a meeting of the shareholders held on the August 15, 2013 as a "rolling" plan and approved each year since such amendment at the annual general and special meeting of the shareholders of the Corporation each year.
3. (a) The total number of authorized but unissued common shares allocated to and made available to be issued to Participants under the Plan shall not exceed

7,344,976, being Twelve Percent (12%) of the issued and outstanding shares of the Corporation as at the date of this Third Amendment (including, for certainty, common shares subject to stock option agreements entered into pursuant to the terms of the Initial Plan and every amendment thereto). Notwithstanding the provisions of the Plan, the grant of options under the Plan shall be subject to the regulations and policies in effect from time to time by the applicable Regulatory Authorities.

- (b) The Corporation represents that, in the event that it wishes to grant options under the Plan to “Employees”, “Consultants” or “Management Company Employees” (as those terms are defined for the purpose of Policy 4.4), it will only grant such options to Participants who are bona fide Employees, Consultants or Management Company Employees, as the case may be.

The exercise price to each Participant for each common share optioned to such Participant shall be determined by the Board of Directors or Committee but shall not, in any event, be less than the “Discounted Market Price” of the Corporation’s common shares on Exchange (as the term is defined in TSX Venture Exchange Policy 1.1 [“Policy 1.1”]); provided that such exercise price per common share in respect of options granted within 90 days of a Distribution by a Prospectus (as those terms are defined in Policy 1.1) shall not be less than the greater of the Discounted Market Price and the price per common share paid by public investors for Listed Shares (as defined in Policy 1.1) of the Corporation under the Distribution.

4. Residents of the United States of America or any territory or possession thereof may be Participants in the Plan provided that such participation is in accordance with and does not violate any securities or other legislation, regulation or policy of the applicable governing authorities in the United States of America or any state, territory or possession thereof.
5. The Board of Directors or the Committee shall have the unfettered right to interpret the provisions of this Plan and to make such regulations and formulate such administrative procedures for carrying this Plan into effect and to make such changes therein and in the regulations and administrative provisions therein as, from time to time, the Board or the Committee deem appropriate in the best interests of the Corporation. The Board of Directors shall also have the unfettered right from time to time and at any time to rescind or terminate the Plan; provided, however, that no such rescission or termination shall impair or change the rights and options theretofore granted under the Plan without the prior written consent of the Participant or Participants affected thereby.
6. The Corporation shall pay all costs of administering the Plan.
7. The Board of Directors, the Committee or the specific option agreement entered into by the Participant may specify that the options granted hereunder may only be exercisable at certain specified intervals. A written agreement shall be entered into between the Corporation and each person to whom an option is granted hereunder which agreement shall set out the option price and the terms and conditions on which the option may be

exercised, all in accordance with the provisions of the Plan. The agreement shall be in such form as the Board of Directors may from time to time approve and as the rules and policies of the Regulatory Authorities permit and may contain such terms as may be considered necessary in order that the option will also comply with any provisions respecting stock options in the income tax or other laws in force in any country or jurisdiction or which the person to whom the option is granted may from time to time be a resident or citizen.

8. In addition to any resale restrictions under applicable securities laws and any other circumstances under which the Exchange Hold Period (as defined in Policy 1.1) may apply, where the stock option exercise price is at a discount to the Market Price, any such stock options and the underlying Listed Shares, if exercised prior to the Exchange Hold Period, shall be legended commencing on the date of the grant of options as follows:

“Without prior written approval of TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until [insert date that is 4 months plus a date from date of grant].”

9. Subject to applicable regulatory approval, the Board of Directors may from time to time amend this Plan and the terms and conditions of any option thereafter to be awarded and, without limiting the generality of the foregoing, may make such amendments for the purpose of meeting any changes in any relevant law, the Exchange or other regulatory authority policy, rule or regulation applicable to this Plan, any option or the underlying, or for any other purpose which may be permitted by all relevant laws, rules and regulations, provided always that any such amendment shall not alter the terms or conditions of any option or impair any right of any Optionee pursuant to any option awarded prior to such amendment. Subject to applicable regulatory approval, the Board of Directors may from time to time retroactively amend this Plan and may also, with the consent of the affected Optionees, retroactively amend the terms and conditions of any options which have been previously awarded. With the consent of affected Optionees, the Board of Directors may amend the terms of any outstanding option so as to reduce the number of optioned shares, increase the exercise price, or cancel an option without approval of the shareholders or the Exchange. Any other amendment will be subject to receiving prior Exchange approval. Disinterested shareholder approval (as defined in Policy 4.4) will be required for: (i) any reduction in the exercise price of options granted to Insiders; and (ii) the situations where the Plan, together with all other outstanding options could result at any time in: (a) the aggregate number of Shares reserved for issuance under stock options granted to Insiders (as a group) at any point in time exceeding 10% of the issued shares of the Corporation; (b) the grant to Insiders (as a group), within a 12 month period, of an aggregate number of options exceeding 10% of the issued shares, calculated at the date an option is granted to any Insider; or (c) the issuance to any one Optionee, within a 12 month period, of a number of Shares exceeding 5% of the Corporation’s issued shares.
